

COVID-19 Protocols

Dr. Bonanni is looking out for your smile and your health
Please take note of the guidelines we have put in place

Your visit to our Office

At home, please brush your teeth, rinse with mouth-wash, and bring a mask

When you arrive, stay in your car and call the office at 781-438-7900

We will ask you some COVID questions and let you know when it is safe to come into the office.

In the office, we will take your temperature and supply hand sanitizer.

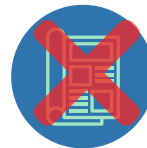

Other Policies in Place

Only patients with appointments (and one caregiver if needed) are allowed to come up.

Please allow us time to disinfect thoroughly between patients.

Communal items, such as magazines and toys, have been removed.

Please reschedule if you have been in contact within 14 days with anyone who has symptoms.
